Re: Amino Food Technologies, Inc.

March 12, 1999

Ladies and Gentlemen:

Please be advised of the following notification information pursuant to 21 CER 101.93.

1. The name and address of the manufacturer is Amino Food Technologies, Inc., 1645 S. Main Street, Milpitas, CA 95035.
2. The text of the statement being made is as follows:

"Astragalus Extract is an herbal nutrient that has been used by the Chinese for thousands of years to enhance immune system function in traumatized body and restore soft tissue flexibility. Recent research shows the combination of Astragalus and Dangqui may enrich blood, improve circulation, and aid nerve function. Its monographs have been recently included in the World Health Organization (WHO) publication.

Danggui Extract is an herbal nutrient used by the Chinese as a blood tonic herb to stimulate blood circulation and enhance the function of the nervous system.

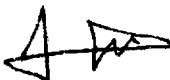

Pyridoxine (Vitamin B6) may help neurotransmitters regulate nervous system function and maintain strong muscles and tendons.

Vitamin B Complex may help provide crucial support to proper nerve function.

Beta-Carotene, Natural Vitamin E and Ascorbic Acid are powerful antioxidants that may deactivate free radicals and help maintain healthy nerve cells."

3. The name of the dietary supplement is Capolla CHS* Reliever by Amino Food Technologies, Inc.
(* CHS - Computer Hand Strain)

I, James Chen, hereby certify that the information presented and contained in the notice is complete and accurate, and that the notifying firm has substantiation that the statement is truthful and not misleading.

James Chen
